

KNOW THE FACTS

OUR VISION

CASA of the Tenth Judicial Circuit's vision is that every abused and neglected child is placed in a safe permanent home as quickly as possible.

CASA VOLUNTEERS

1 CASA STAFF MEMBER

Supports **30** Volunteers

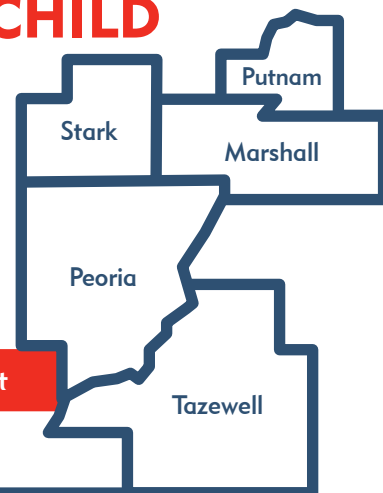

Serving **75** Children

SERVING EVERY CHILD

More than **1,200** children in the counties we serve currently do not have an Advocate.

That's why we are committed to recruiting and training at least 100 new advocates.

10th Judicial Circuit

THE SOLUTION

A Wise Investment

One year of CASA advocacy costs less than one month of foster care.

THE RESULTS

CASA VOLUNTEERS CHANGE LIVES

For an abused or neglected child in the court and social services system, a CASA Advocate can mean the difference between homelessness and a safe dwelling...dropping out or excelling in school... unemployment or a career path...incarceration or freedom...failure or success in life.

BRIGHTER FUTURES

A child with a CASA Volunteer will...

- + Be more likely to find a safe, permanent home
- + Spend less time in foster care
- + Be significantly less likely to re-enter foster care
- + Receive more services while in the court or foster care system
- + Perform better in school

WE NEED YOU!

Your role as a volunteer Advocate can help place abused and neglected children with their forever families, and be the much-needed order in a child's turbulent life.
